

Hayes Products

Seamless Polyethylene Fuel Tanks

Molded, without seams to leak or split. Tough polyethylene resists fuel, dirt & contaminants. Designed for R/C use. **Regular** tanks for most spots & the **Slimline** fits narrow installations. Each kit comes with removable pickup tube, stainless steel clunk, non-slip nipple, & O-ring.

HAY026	11 OZ FUEL TANK	\$5.25
HAY027	13 OZ FUEL TANK	\$5.50
HAY070	8 OZ FUEL TANK	\$5.00
HAY071	6 OZ FUEL TANK	\$4.75
HAY080	2 OZ FUEL TANK	\$4.25
HAY084	4 OZ FUEL TANK	\$4.50
HAY085	12 OZ SLIMLINE FUEL TANK	\$5.50
HAY146	16 OZ SLIMLINE FUEL TANK	\$5.75
HAY147	8 OZ SLIMLINE FUEL TANK	\$5.00
HAY148	4 OZ SLIMLINE FUEL TANK	\$4.50

HAYES CLEVIS

The rugged Hayes clevis features a Nylon body secured with a steel pin. It comes 4 to a pack. Available in two sizes, to install on either a 4-40 or a 2-56 rod.

4-40 CLEVIS

HAY132
\$2.75

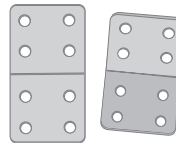

2-56 CLEVIS

HAY131 \$2.75

POLYPROPYLENE HINGES

Dampen flutter, withstand high vibration, and resist gumming from epoxy, glue or dirt. They perform well in large aircraft.

HAY105 \$1.89

Hitec Servos

HS-65HB MIGHTY FEATHER

PLANES: FAST PARK FLYERS, ELECTRIC MICRO

Micro
JR/Airtronics

Hitec's **HS-65HB** Micro class servo has long lasting and durable Karbonite gears and is Hitec's most powerful servo in the micro class, with over 31oz/in of power (at 6 volts). The **HS-65HB** was created for higher performance electric park flyers, micro helicopters, and 1/18 scale cars, and features a top ball-bearing for long life and positive centering.

HOBBICO

ACCU-GLO POWER PANEL

Built-in 300-400mA charger with LED, plus mounting lug for Hot Shot. Provides constant charging of glow igniters at the field.

1.5 jacks and easy-adjust dial for automatic glow-heat tuning to model. Tuned Accu-Glo MkII maintains proper heat.

Green and red LEDs indicate glow heat status; more LEDs indicate glow plug continuity — saves pulling plug from engine for inspection.

4 colored LEDs next to the power switch offers improved reading of field battery voltage levels.

12V jacks for electric starters and fuel pumps, and 1.5V jacks for glow plugs. Fuel pump is controlled by simple, color-coded twin "FILL" and "EMPTY" buttons.

HCAP0306 \$32.97

HCAP0700	1.5 VOLT HOBBY BATTERY	\$5.99
HCAP2502	TWIST LOCK GLO PLUG CLIP	\$6.99
HCAP2520	HOT-SHOT 2 GLO STARTER	\$16.99
