MONOKOTE by Top Flite

SmartCut Trim Tool

TRIMS COVERING PERFECTLY IN AND AROUND CORNERS, EDGES & MORE!

Top Flite's patented, easy-to-use MONOKOTE **SmartCut** trimmer is engineered for a model airplane's contours. Seams almost disappear! Its reversible spacer guide measures exact 1/8" or 1/16" overlaps. Remove the guide to cut along inside corners and in other difficult areas with precision. The durable plastic body features molded-in finger grips and thumbscrews for varying blade depth. Includes two #11 blades and detailed instructions.
