- PARHTP Hitech Safety Clips 3/pk **\$3.49**
- PARJRPJR Safety Clips 3/pk **\$3.49**

RCATS SMART LITHIUM GLOW DRIVER

This unique device allows unprecedented starting reliability and outlasts any ni-cad! Automatically adjust current to keep your flooded plug glowing for trouble-free starts. Includes A/C adapter.

- Long battery life (over 1 year with normal use)
- Adjusts current automatically to keep the plug lit
- "Soft Start" adjusts current to prolong plug life
- Built in charging system
- Auto shut-off
- Easy to read LED bar graph
- Long or Short glow plug clip available

LED array shows the amount of current being supplied to the glow plug, which varies from 0 to 5 Amps. Each LED represents approximately .5 or (1/2) Amps.

GREAT PRICE!
w/1" Clip **\$104.95**
w/3" Clip **\$107.95**

RCATS PROTECTIVE GLOVE for RCATS Glow Drivers

Extend the life of your RCATS Lithium Glow Driver with this protective slip-on cover. Pop-out stand props driver up for better view of LED's during starting.

Available in Dark Blue

Radio South

1/4 SCALE PRO HINGES

The Original CA hinge designed in the early 70's by a well-known pylon racer, Gale Helms. Tough hinges that take the pain out of hinging a model & last for years. This size works for Quarter-Scale size models.

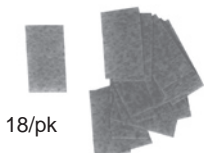

#RAD200 **\$2.99**

REGULAR SIZE PRO HINGES

Nothing is Easier

Cut a simple #11 knife blade slot, apply the thin CA, and your done!

This size can also be cut in half for use on small 1/2 A models!

SUPER-FUELER 2

Ideal for tightly cowled engines. Automatically connects fuel source to the tank for refueling, then reconnects the tank to the engine - without disturbing fuel lines. Safe for use with glow, gas & smoke fluids.

ROB204 **\$10.35**

HINGE POINT HINGES

Hinge Point Hinges are truly unique. Instead of trying to chisel a slot, as with ordinary hinges, simply drill a hole, add some glue, and insert the hinge point. Simple, perfectly straight hinging can be done quickly. Applications include:

Balsa Foam, Slab, Aileron, Plastic "ARF," Internal Hinge Flap, Scale Built-Up, Flap External Hinge Point.

- ROB305 HP6 1/2A HINGE POINT \$2.15
- ROB306 HINGE POINTS 15-1/2A \$3.80
- ROB307 STEEL PIN HINGE POINT 6/pk \$2.75
- ROB308 STEEL PIN HINGE POINT 15/pk \$5.15
- ROB309 SUPER HINGE POINT \$3.45
- ROB310 SUPER HINGE POINT 15/pk \$6.40
