AEROTREND BLUE LINE TUBING for GLOW FUEL

**Standard Size Remains Flexible
Heat Resistant to 450° F**

50 ft Reel

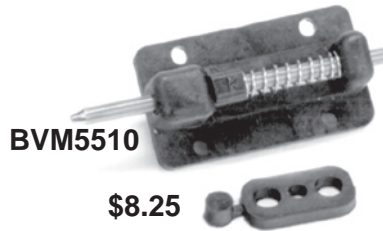

Thick, strong & heat resistant up to 450° F. Very flexible and resists cracking or pinholes. Don't trust the lifeline to your engine to anything but the best. Aerotrend delivers more fuel to more engines than all other tubings combined. Available at Central Hobbies in economical bulk reels or by-the-foot custom cuts.

#AER1013R **\$2800/reel**

Bob Violet Models

HATCH LATCH

BVM5510

\$8.25

Pin Hole Filler #BVM1925 \$7.50 6 oz.

Wipe on unfinished surface before primer, and allow to dry to a haze. Then wipe it off. When you apply the first coat of primer, most of the fine pin-size holes will be filled. Saves work.

BVM5515	Hatch Pin Set (8/set)	\$9.00
BVM5734	2-56 Steel Couplers (6)	\$4.50

Keep it cool!

BVM HEAT SHIELD

BVM1940
\$19.50/pint

BVM Heat Shield is being used in the pipe tunnel of pattern aircraft where heat transfer to the wing or radio compartment is a concern.

SERVO MOUNTING SCREWS

We've shipped our **CENTRAL HOBBIES Servo Mounting Screws** all over the world, and once a modeler mounts a servo with them, they won't use anything else. These are the best servo mounting screws available. The deep socket head allows angled driving with a 5/64 ball driver. The built-in washer completely covers the grommets. Screws are 9/16"
